

Youth Newsletter

June 2009

Since the last newsletter I have been to the following rallies:

Come Dancing

This was held at West Malling School. On the Saturday evening we had a dancing competition. There was some interesting entries including Kevin dressed as a woman and Jen with her dancing partner who won the competition.

Activity Rally at Blacklands Farm

This was a long way from home and took us nearly 2 hours to get there. On Saturday we had a go on the ropes and climbing nets. In the afternoon Dad and Michael arranged for us to go on the climbing wall. I also had some yummy chocolate cake made by Trish.

Easter Rally

Held at Willingdon School, Eastbourne. On Saturday we went bowling with Karen and Tony Shipper, Dad won!! On Sunday we climbed a 600 foot hill and in the afternoon did the Easter Egg Hunt.

Open Forum, Alderstead Heath

Dave Suckling did a good job cooking the sausages and burgers. Everybody was busy telling people what rallying was all about.

Port Lympne

This was my favourite rally. There were lots of animals to see. We spent ages watching the gorillas. My sister didn't like the spiders.

My friends Andy Shipper and Aaron Shakides came and we could play football and golf.

I hope we can have another rally there soon.

Some animal jokes:

What does the lion say to his friends before they go out hunting for food?

"Let us prey"

What is the difference between an elephant and a flea?
An elephant can have fleas but a flea can't have elephants

What do you call a one eyed dinosaur?

Doyouthinkhesawus.

Some animal trivial facts:

A green fly born on a Tuesday can be a grand parent by Friday.

The average elephant produces 50lb of dung a day.

Only female wasps, bees and mosquitoes sting.

Bees visit 2000 flowers and fly over 55000 miles to produce just 1 lb of honey.

A cow produces 200 times more gas than a person.

Forthcoming Events:

Youth and Charity Rally: In the afternoon we are having stalls and various games to raise money for our charity and in the evening, Martin Whittaker is doing a UV disco, so wear your UV gear.

Airshow Rally: There will be 2 days of flying displays for you to enjoy. For those of you who want, we can have a game of bat and trap or volleyball.

Photographic Rally:

This is a lovely site, with enjoyable walks and a pub within walking distance. If the weather allows Keith and Gill are hoping to do volleyball with a difference [bring a change of clothes] and if you have the energy a game of rounders. Don't forget your photos "a moment on the rally field".

Southern Centres:

There will be lots going on fun sports, archery, evening entertainment, trade stands, licensed bar and Centres Café.

The Youth would like to thank all of you for buying the sweets.

They are proving to be very popular.

If there are any different ones you like, let me know and I will get some for the sweet shop.

If anyone has got any jokes or puzzles for the Youth section, you can send them to Dad's e mail or give them to me on a rally.

Look forward to seeing you on the rally field.

James
